DIAMOND CUT GOLD SERIES STEAKS

Our Diamond Cut Gold Series steaks are exclusively sourced from Australia's richest grazing lands as seasons allow. Under our Diamond Cut Gold Series banner our steaks are labelled Prime or Choice.

The Prime steaks are minimum 100 day grain fed to produce extra marbling which slowly melts and bastes the meat throughout the cooking process providing maximum tenderness for that famous Outback Jacks eating experience.

Our Choice steaks are Grass fed and free range, giving the meat a cleaner, leaner flavour... a taste sensation!

Dishes with this symbol have something truly and uniquely Australian about them. For some it's the meat we use and for others it's a special blend of bush herbs and spices or special sauces.
